

The CRMC Foundation and T.E.A.M. CRMC would like to invite you to participate in the development of our “Serenity Garden of Life.” Located in the area north of the main entrance and adjacent to the cafeteria patio, the garden is a quiet, peaceful place for patients, visitors, and employees. The design, created by noted landscape architect, Neal Weatherly, features a flowing fountain as the focal point surrounded by antique brown brick pavers. The beautiful landscape and comfortable seating offers a tranquil place for outside rest.

T.E.A.M. CRMC, the Foundation’s employee giving team, funded the construction of the garden. These special employees take pride in supporting our medical center and community. The CRMC Foundation is committed to ensuring healthcare excellence for our community now and for future generations. Won’t you join us by participating in our Brick Paver Project and make a lasting imprint in our community. Personalized bricks are a great way to recognize children, grandchildren, marriages and other special events or as a lasting memorial to

someone. They also make unique gifts. Your engraved brick can be a permanent piece of CRMC history for as little as \$50.00. You will also have an option to order a miniature replica of your personalized brick at an additional cost of \$12.00

.....
Your engraved brick can be a permanent piece of CRMC history for as little as \$ 50.00
.....

Bricks for the garden are made of a durable clay composition and an engraving process that is guaranteed for the lifetime of the brick.

- Each brick may have three lines of engraving with up to twenty characters (including spaces) per line.
- The special “handprint” bricks, which feature a small engraved hand, are suggested especially for a child’s honor or memory and may have three lines of engraving with up to twelve characters per line. Ideal to celebrate the birth of a baby.
- The mini-bricks will be exact replicas of the larger brick. They make a great paperweight, or just a memento of your permanent garden brick.

PRICING INFORMATION:
Brick price \$50.00
(Includes regular and “handprint” bricks)
Mini-brick replica (optional) \$12.00
Your donation is fully tax deductible!

Engraving information:

- 3 lines per brick
- 20 characters per line - 12 for “handprint” brick
(This includes spaces and punctuation)
- Please make sure your information is spelled correctly
- If you are sponsoring more than one brick, please make copies of this form.

Bricks will be ordered in lots of 100 and will be laid accordingly. Your patience is greatly appreciated.

Proceeds from this foundation project will be used to enhance healthcare services and technology to ensure healthcare excellence for future generations.
