

Recommended PC settings for Coffee Regional's Mckesson Paragon Clinician Hub and OneContent.

These applications are integrated but separate and complement each other.

This is a Living Document and will be posted on our Website-

<http://www.coffeeregional.org/employee-and-physicians/forms>

Your CRMC login and password for our network will be used to enter Paragon Clinician Hub. When you choose to view a patient's medical record (Med Rec View) or look at the Deficiencies tab you are being launched into the OneContent application automatically.

Network passwords expire every 90 days and must be changed

Disclaimers:

-This system is now accessed in a Citrix environment. Your IT person or staff will need to download and install the Citrix client onto your PC. Accessing the Mckesson Paragon Clinician Hub link will initiate the Citrix install.

Must have administrator rights on the PC to make these changes and knowledge of Windows applications.
